June 10, 2015

Dear Valued Customer,

Effective **July 1st 2015**, Petroferm Europe LTD will change its name to **Vantage Specialty Chemicals, Ltd.** Going forward, certain aspects of our business such as our email addresses, website address, and social media contacts will change. Pending the July 1st date, we will provide key documents when the change takes place, such as updated W9s, so that you may update your systems accordingly.

We appreciate your part in notifying the appropriate departments in your company.
